

Ai Claims Solutions PLC
(AIM: ACS)

Result of AGM and Trading Update

At the Annual General Meeting of Ai Claims Solutions PLC (“Ai” or “the Company”), held at 11.00 a.m. today, all resolutions were duly passed and Charles Good, Chairman, made the following comments with regard to trading:

“The Company has made an encouraging start to the current year with trading, which will be weighted to the second half, being in line with market expectations. Significant progress has been made with new business activity, on satisfactory terms in competitive market conditions.

It is pleasing to report further success with the implementation of new solutions for our traditional insurer base and a broadening of the range of our customers.”
